Dear Friend of the Homeless,

Remember the **Summit on Homelessness?**

Following group discussions at that *fall* gathering, we invited you to share ideas in small groups to help develop a plan to end homelessness. When you volunteered, we promised to convene another series of meetings to discuss the many recommendations suggested.

We invite you to join us at 8:00 a.m. on Wednesday, May 10, 2006 at:

**Bremen Township Services,
15350 Oak Park Avenue
Oak Forest, IL 60452**

Please call **THE SOUTH SUBURBAN COUNCIL ON HOMELESSNESS** at: (708-633-5040) to reserve your place for this important gathering. We look forward to meeting with you again and continuing the process; thanks for sharing your valuable time and talents.

Yours truly,

Fred S. Shannon
